HALP PIPE DUMP TRAILERS

Dump Trailers

For the toughest jobs, you need the toughest trailers. Redrock's Half Pipe Dump Trailers feature an innovative up and over door configuration with Hydraulic Rams covered for greater protection when loading trailer. The wide bottom of trailer allows complete emptying when tipping stubborn loads like clay.

Redrock Half Pipe Dump Trailers are constructed and engineered to the highest standards to give maximum support and strength for heavy loads. All Half Pipe Dump Trailers have a sprung drawbar for increased driver comfort and to reduce stress on the tractor hitch.
